House 5 Comfort Survey *Utafiti wa Hali ya Hewa Ndani ya Nyumba*

ARC / Children's Ecovillage · One sheet per girl *Karatasi moja kwa kila msichana*

Instructions for the surveyor / *Maelekezo kwa anayefanya utafiti*

Take the girls aside one by one. All sections are filled in by an adult, not by the girl. Sections B and C are questions to ask her. Complete once a month, on a Saturday morning. **She must have been in this room for at least 30 minutes before you start.** If she has only just come in, wait until 30 minutes have passed.

Please ensure that photographs of these sheets are taken and sent to **arc.archie@simmondsmills.com** once a month.

Mchukue kila msichana peke yake, mmoja baada ya mwingine. Sehemu zote zinajazwa na mtu mzima, si msichana. Sehemu B na C ni maswali ya kumuuliza. Jaza mara moja kwa mwezi, asubuhi ya Jumamosi. ***Lazima awe amekuwa katika chumba hiki kwa angalau dakika 30 kabla hujaanza.*** *Kama ameingia hivi punde, subiri hadi dakika 30 zipite. Tafadhali hakikisha picha za karatasi hizi zinapigwa na kutumwa kwa arc.archie@simmondsmills.com mara moja kwa mwezi.*
